Cobo Center is looking to immediately hire a Plumber.

Position Title: Plumber

Job Summary:

Under general supervision, the Plumber on an assigned shift, in a large public building will assemble, install, and repair pipes, fittings, and fixtures of heating, water, high pressure air, steam, and drainage systems, according to specifications and plumbing codes. This position reports into Facilities Engineering.

Key Job Elements:

- Assemble pipe sections, tubing and fittings, using couplings, clamps, screws, bolts, cement, plastic solvent, caulking, or soldering, brazing and welding equipment.
- Able to plan, install and hang all aspects of water distribution and drainage systems
- Install pipe assemblies, fittings, valves, appliances such as dishwashers and water heaters, and fixtures such as sinks and toilets, using hand and power tools.
- Cut openings in structures to accommodate pipes and pipe fittings, using hand and power tools.
- Fill pipes or plumbing fixtures with water or air and observe pressure gauges to detect and locate leaks.
- Locate and mark the position of pipe installations, connections, passage holes, and fixtures in structures, using measuring instruments such as rulers and levels.
- Measure, cut, thread, and bend pipe to required angle, using hand and power tools or machines such as pipe cutters, pipe-threading machines, and pipe-bending machines.
- Repair and replace backflow preventers according to code
- Effort preventative maintenance to plumbing in and around the center as needed
- Additional duties as assigned

Qualifications:

- Education – High School diploma or equivalent
- Experience – Three plus (3+) years' experience as a certified plumber
- Skills – Installing equipment, machines, wiring, or programs to meet specifications. Must be proficient in print reading and plumbing code.
- Knowledge – The methods, tools, materials and equipment used. Applicable safety codes and regulations.
- Communication Skills – Good oral, written and listening skills. Good attention to detail.
- Judgment and Decision Making - Considering the relative costs and benefits of potential actions to choose the most appropriate one.
- Customer Focus – Is dedicated to meeting the expectations and requirements of internal and external customers; establishes and maintains effective relationships while gaining their trust and respect.
- Organized – Uses resources and time effectively and efficiently.
- Problem Solving – Solves problems with effective solutions.
- Team Player – Creates strong morale and spirit within team; deals effectively and tactfully with departmental personnel and the public.
- Special Requirements, Licenses or Certifications: Plumbers license required, backflow preventer certification a plus.
